

# Mask Policy Update at Willow Creek (effective 2/27/22)

Good morning, Willow Creek Church Family!

The Session has prayerfully updated our Willow Creek Covid Policy in consideration of the CDC's most recent recommendations and our ongoing commitment to love our neighbor.

Masks are now **optional**.

If you think you may have been exposed or are experiencing any symptoms, we expect that you would choose to wear a mask.

If you are definitely experiencing covid symptoms or know you have been exposed, please stay home.

Please continue to social distance between households.

Our worship service remains unchanged at this time (and you are still invited to sing and pray aloud), and online worship remains available.

Our Covid Task Force\* and Session will continue to evaluate our practices and will keep you updated on any further changes.

Thank you for being patient and loving as we continue to navigate the ongoing pandemic. As always, feel free to reach out with any questions.
